

Svetislav Jovanovic, DVM

- Objective** To utilize my skills as a veterinarian, providing long- and short-term relief services to local veterinary hospitals and clinics.
- Qualifications** New to the Denver area, I would like to experience the local practice styles, philosophies and environments. For any long- or short-term assignment, I bring a strong background in companion small animal medicine and a commitment to customer education and communication. I can easily adapt to new practice philosophies and interact effectively with staff, other doctors and outside veterinary/technical teams.
- Relief Experience**
- 2006 September-Present** **Denver Metro Area**
Numerous relief Doctor positions throughout Denver/Boulder metro Area.
- 2006 Jul.-Sept. AVETS** **Pittsburgh, PA**
Relief Doctor, Emergency & Critical Care Practice
- 2006-July** **Emergency Clinic West** **Cleveland, OH**
Relief Doctor, Emergency & Critical Care Practice
- Practice Experience**
